

REMARKS

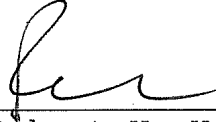

Consideration and allowance of the instant application is respectfully requested.

The claims submitted herein are now complete. It would appear that the claims submitted in the previous Second Preliminary Amendment suffered a transmission err during faxing. A complete version of claim 1 is now attached.

The client had requested that the claims as filed in the original PCT application be entered, however in this case the amended PCT claims were entered by mistake. This amendment amends claims 1-9 to correspond to original claims 1-9. Claims 18-19 correspond to original claims 10 and 11. Claim 10 is amended to mirror original claim 12. Claims 11 and 12 are amended in response to the change made in claim 10. Original claims 13 and 14 are combined in claim 11. Original claims 15-20 are found in claims 12-17. No new matter has been added.

Reconsideration and allowance of this application is respectfully requested.

Respectfully submitted,

---
